ANNUAL REPORT

MEETINGS FOR MEMBERS

The 1976 Annual General Meeting of the Trust was held at Retford Town Hall on 26th October, by kind permission of Bassetlaw District Council. The Trust wishes to place on record its appreciation to the District Council for all their assistance with the arrangements and also for allowing members to view the Civic Plate and the Town Charters. At this meeting an illustrated review of our work during the past year was presented by the Honorary Technical Advisers, Mr. G. Beaumont and Mr. G. A. Turner.

At the Spring Meeting held on 30th June in the Civic Suite, Kelham Hall, Mr. R. W. McDowall spoke on the work of the Royal Commission on Historic Monuments. Members found this a most interesting topic and asked numerous questions on the work of the Royal Commission, particularly as this affects Nottinghamshire.

A coach tour of properties, arranged for members and friends, was held on 11th September and included visits to Flintham Hall, Winthorpe Hall, The Grey House, Carlton-on-Trent, the Old Grammar School, Tuxford and Shireoaks Hall. We are indebted to our Technical Advisers for arranging the itinerary for the coach tour and for commenting on the various properties visited.

PUBLIC INQUIRIES AND 'LISTED' BUILDINGS

Decisions on applications referred to in the 1975/76 Annual Report are as follows:

*Park Farmhouse and Outbuildings,
Loughborough Road, Bunny*

application to demolish Farmhouse refused, but permission granted for demolition of outbuildings

19 and 19a Potter Street, Worksop

application to demolish refused by Secretary of State

Representations were made by the Trust during 1976/77 in respect of the following applications:

Sunday School and Schoolhouse, Kirklington Road, Southwell

application to demolish refused by Secretary of State

Orchard House, 3 Farndon Road, Newark

application to demolish refused by Secretary of State

*2 Carr Lane, Warsop and outbuildings,
5 and 7 Church Street, Warsop*

application to demolish—permission granted

*King Edward VI School, London Road,
Retford*

application for alterations and extensions—permission granted subject to use of dark grey or similar coloured roof tiles on the Music Block

*Outbuildings to the rear of 40/40a and
42/44 Potter Street, Worksop*

application to demolish—permission granted

Elm Farm, Misterton

application for alteration and replacement of windows—dismissed

Keyworth Barn

The Trust has continued to take a close interest in the future of this building and note with pleasure that application for demolition was refused by the Secretary of State. Subsequently the freehold of the property was acquired by Rushcliffe Borough Council and a scheme for the restoration of

the Barn is in active preparation by Mr. F. W. B. Charles. The Trust is assured that the building will be put to good use and looks forward to working closely with Rushcliffe Borough Council and other interested parties in what promises to be a most worthwhile venture in conservation.

Bede House Chapel, Newark

Mr. G. A. Turner has prepared a scheme for the erection of three old people's dwellings on this site and for the use of the Chapel itself as a community centre. The Trust understands that the Newark District Council would be prepared, in principle, to grant planning permission for such a scheme and the Trust is now seeking a purchaser for the Chapel and surrounding land.

The Old White Hart, Newark

The Nottinghamshire County Council do not now propose to purchase the Old White Hart and convert it into a library. A Repairs Notice has been served on the owners and the Trust understands that if this is not complied with the Newark District Council will undertake the urgent restoration work itself. Substantial grant aid towards the costs involved has been offered by the Historic Building Council.

Sunnyside Cottages, Southwell

This property, previously in the ownership of the Trust, was sold by the Nottinghamshire County Council to the Community Relations Housing Association and the Trust has requested consultation on the details of the restoration scheme to be carried out.

The Guide House, Arnold

The Trust had commissioned a feasibility study which showed that the capital expenditure involved would be beyond the Trust's resources. A copy of the feasibility study was forwarded to Gedling Borough Council together with the Trust's observations.

Windles Square, Calverton

It was proposed during the year that the Trust should apply for Planning Permission for the erection of two detached bungalows on the whole site fronting Orchard Drive, Calverton (i.e. the site immediately to the rear of the Windles Square cottages), part of which is owned by Gedling Borough Council and that an offer would be made to Gedling following their invitation to the Trust to purchase the land in their ownership. The bungalows to be built on this site are to be constructed to a design prepared by the Teaching Office of the University of Nottingham Department of Architecture.

TECHNICAL PANEL

Regular meetings of the Technical Panel have continued during the year and the Trust is particularly indebted to Mr. G. Beaumont and Mr. G. A. Turner for making visits on our behalf. The Panel has been strengthened by the invitation to Mr. V. R. Webster to serve as a member, and the possibility of appointing a part-time Technical Adviser is being investigated in detail.

J. FARRER, I.P.F.A., F.R.V.A.
Honorary Treasurer

AUDITOR'S REPORT: I have examined the accounts of the Trust for the year ended 31st March, 1977. I have obtained all the information and explanations which I consider necessary for my audit and in my opinion proper books of account have been kept. I have examined the Income and Expenditure Account and Balance Sheet, which are in agreement with the books of account. In my opinion the Balance Sheet gives a true and fair view of the affairs of the Trust at 31st March, 1977 and the Income and Expenditure Account gives a true and fair view of the transactions for the year ended on that date.
