## ANNUAL REPORT

### INTRODUCTION

The year covered by this Annual Report has been one of modest growth. The amount of grant aid given has increased substantially from £13,390 in the previous year to over £20,000 in 1978/79. A number of major projects have come to fruition including the proposed survey of redundant farm buildings. It is pleasing to be able to report that this increased level of activity has been paralleled by an increase in membership which has grown by over one-third.

### MEETINGS FOR MEMBERS

The 1978 Annual General Meeting of the Trust was held in the Tudor Barn of the Parish Centre, Warsop, on 13th November. After the formal business of the meeting, the Chairman of the Trust, Professor M. W. Barley, gave a fascinating talk on recent 'Discoveries in the City and its Suburbs'. The talk was followed by an opportunity for members to meet informally over a glass of sherry.

The Spring Meeting was held at Alfreton Adult Education Centre, Church Street, Alfreton, Derbyshire, which was a joint meeting with the Derbyshire Historic Buildings Trust. Mr. D. Latham spoke on 'The Preservation of Derbyshire's Heritage' in which he reviewed the work of the Derbyshire Trust which was largely concerned with the purchase and restoration of buildings using the revolving fund principle. This was followed by a talk on 'Recent activities in Nottinghamshire' by Mr. G. Beaumont, who spoke on the work of the Nottinghamshire Trust, together with illustrated examples of properties which had recently received assistance.

The Annual Coach Tour was held for members of the Trust which provided an opportunity of seeing first hand, the types of property which the Trust has assisted. The properties visited ranged from modest renovated cottages, such as 152-156 Main Street, Woodborough, to major buildings, such as Keyworth Barn and Papplewick Pumping Station. Lunch was held at Holme Pierrepont Hall by courtesy of the owner Mr. R. G. L. Brackenbury.

### PUBLIC INQUIRIES AND LISTED BUILDINGS

The Trust has been represented at a number of Public Inquiries during the course of the year. The Trust successfully opposed the demolition of the chimney of Bracebridge Pumping Station and subsequently there has been considerable interest shown in the restoration and re-use of the building. At another inquiry, the Trust, with some regret, agreed to the demolition of the Victorian wing of Annesley Hall so that the older parts could be retained. Although this

part of our work is one of the least spectacular, it is an important part of our task of guarding the Nottinghamshire heritage.

### Bede House Chapel

The plot of land adjoining the chapel has been sold for the erection of six old people's flats, built to an agreed design. The proceeds of the sale are to go towards the restoration of the Chapel itself, which will then be sold for a nominal sum to Newark District Council who will be responsible for its future upkeep. The District Council intend that the Chapel should be used for the benefit of the community so that the future of the Chapel in new and viable use is assured.

### The Barn, Keyworth

During the course of the year, restoration work to the Barn has been largely completed. This major project to restore a very important example of a timber framed barn has been tackled in a joint initiative by the Trust, Rushcliffe Borough Council and Nottinghamshire County Council.

### 32 Heathcote Street, Nottingham

32 Heathcote Street. The detailed facade was restored with a grant from the Trust.

*Photograph: Neil Shapeero*

This building, owned by Nottingham City Council, has been standing vacant and was falling into a state of disrepair. Agreement was reached with the City Council that the Trust would undertake essential internal repairs such as the eradication of dry rot. This work has been completed so that the deterioration has been stopped and the future of the building has been safeguarded. All that is now required is a prospective tenant or purchaser . . .

### The Manor House, Willoughby-on-the-Wolds

It is with great regret that we report the loss of the Manor House at Willoughby-on-the-Wolds. All that now remains is one gable end onto which a completely new development is to be built. The building was listed and it is of considerable concern that such changes could be wrought to a building which we would have considered to be protected.

### **Linby Lane, Papplewick**

There has been considerable discussion about the future of this house and its associated range of barns built in magnesian limestone. The buildings are now listed and the Trust is looking seriously at a number of options for restoration, including the possible acquisition of the house and adjoining barn.

### **Windles Square, Calverton**

The site adjoining Windles Square, which fronts on to Orchard Drive, has now been sold for the erection of one dwelling to an agreed design. Throughout the proceedings, and indeed throughout the whole of the time that the Trust has been associated with Windles Square, we have received very considerable assistance from Mr. David Bowler of the University of Nottingham, Department of Architecture and our grateful thanks are due to him in large measure.

### **GRANTS AND LOANS**

### **FARM BUILDINGS SURVEY**

The Trust, in conjunction with Task Force North, is to employ a Farm Buildings Survey Team, consisting of four suitably qualified members, to undertake a full-time survey of farm buildings in the areas of Rushcliffe and Bassetlaw. This is particularly pleasing as the same application had been made unsuccessfully under the former Job Creation Scheme. The team will start work principally in the forthcoming year under the supervision of the team leader, Mr. Philip Ibbotson, for an initial period of six months. It is hoped that the project will be extended, both in time and the areas which are being surveyed and early favourable indications suggest that this is likely to be the case.

### **BUILDINGS AT RISK**

The Trust is compiling a register of buildings which are considered to be at risk for any of a number of reasons. Buildings at Risk are normally brought to the attention of the Trust by our members as well as the public at large. Each case is reviewed to see whether there are any courses of action which can be initiated to help safeguard the future of these buildings. It is alarming to find that some of them are *listed*, including farmhouses and cottages as well as buildings such as dovecotes for which there is now no use.

It is most important that members should continue to inform the Secretary of buildings thought to be of historic interest and that remain empty for some time or seem to deteriorate seriously. Even if effective action proves impossible—and this is bound to be so in some cases—the Trust should know what is happening to the County's stock of buildings.

## CONCLUSION

The Council wishes to place on record its appreciation to the County and District Councils for the donations so kindly given during the year under review in support of its work. The amounts received are shown below.

Nottinghamshire County Council .. ..	£	6,500
Ashfield District Council .. ..	100	
Bassetlaw District Council .. ..	1,026	
Broxtowe Borough Council .. ..	512	
Gedling Borough Council .. ..	1,000	
Mansfield District Council .. ..	994	
Newark District Council .. ..	1,000	
Nottingham City Council .. ..	1,055	
Rushcliffe Borough Council .. ..	1,000	

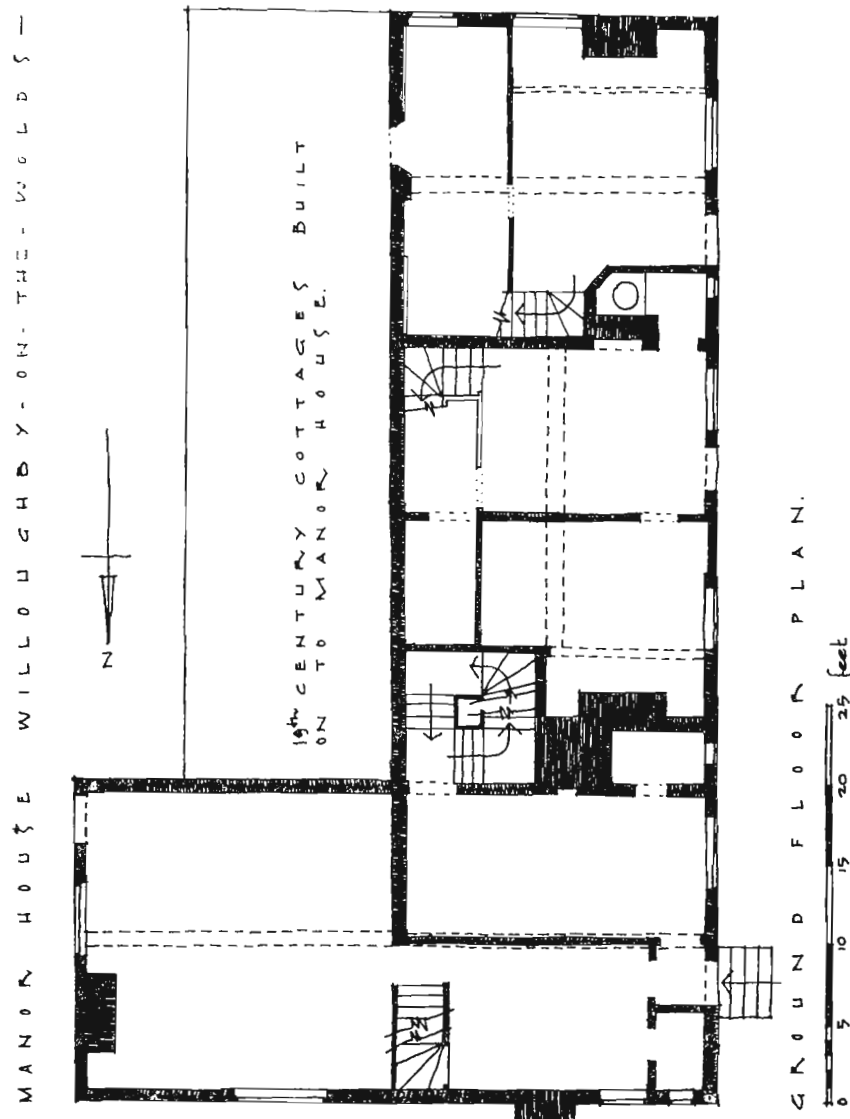

In particular our thanks are due to Mr. A. Sandford, LL.B., Clerk of the County Council and Chief Executive, Nottinghamshire County Council for kindly acting as our Honorary Legal Adviser and to Mr. J. Farrer, I.P.F.A., F.R.V.A., Treasurer of Rushcliffe Borough Council, for his valuable assistance, as our Honorary Treasurer.

Our thanks are also due to those Officers, Committee Members, Members of the Technical Panel and interested individuals who have helped to further the aims and objects of the Trust.

Last, but by no means least, our thanks are due to the staff of the Community Council for Nottinghamshire and, in particular, to Miss Margaret Barron, for their efforts on behalf of the Trust, which so often go unseen, but are, nonetheless, essential to our work.

NOTTINGHAMSHIRE BUILDING PRESERVATION  
TRUST LIMITED

AUDITOR'S REPORT: I have examined the accounts of the Trust for the year ended 31st March, 1979. I have obtained all the information and explanations which I consider necessary for my audit and in my opinion proper books of account have been kept. I have examined the Income and Expenditure Account and Balance Sheet, which are in agreement with the books of account. In my opinion the Balance Sheet gives a true and fair view of the affairs of the Trust at 31st March, 1979 and the Income and Expenditure Account gives a true and fair view of the transactions for the year ended on that date.

Notes to Balance Sheet

1. Contingent liabilities totalling £27,355.34 were outstanding at 31st March 1979 in respect of 49 full grants and 7 balances of grants awarded but not taken up.
2. 821 Copies of the booklet 'At Home in Sherwood' were held in stock at 31st March, 1979 (not included in the Balance Sheet).
